

**South Platte Water Related Activities Program, Inc. (SPWRAP)**  
**Meeting Minutes of the Interim Board of Directors**  
**September 21, 2006**

1. Call to Order  
The Interim Board of Directors meeting was called to order by Vice-President Lisa Darling.
2. Minutes from the August 17, 2006 meeting of the Interim Board of Directors were approved. *It was noted that the outreach letter and materials mailed out on 9-19-06 contained information inconsistent with the Board's discussions on August 17. Contrary to the outreach letter, Directors will not be elected at the first Annual Meeting of SPWRAP.*
3. Ted Kowalski provided an update on the agreements between the State and SPWRAP. The CWCB is encouraging DNR to sign the MoA with SPWRAP. Funding a FTE is still an issue with the MoA between DoW and SPWRAP. The State is determining if special authorization is needed to use the Species Conservation Trust Fund to pay for a FTE. If legislation is needed to use the Fund for a FTE, then the State would look to SPWRAP to support appropriate legislation. The State hopes to sign the MoAs in the next month or two. Discussion ensued about whether an operational agreement under the DNR MoA could supplant the need for a MoA with DoW. Steve Sims noted that the DoW wants outside money that could be directed specifically to DoW activities associated with the Program. Steve Sims will talk with DoW (Grady McNeill) about the FTE issues and report back to the Board.
4. Steve Sims and Ted Kowalski reported on the status of the Program.
  - a. The GC approved an extension of the Cooperative Agreement to the end of the year. Nebraska will make a decision on its participation in the Program by December 1. The 1<sup>st</sup> Nebraska Public Meeting in Gering occurred on 9-6-2006 and generally there was positive support for Nebraska to participate in the Program. The other Public Meetings are:  
September 22, 2006, 1:00pm, CDT, Fonner Park 4-H Building, Cafe, Grand Island  
October 10, 2006, 1:00pm, CDT, Embassy Suites, Lincoln
  - b. It is unlikely that hearings on the Federal authorization legislation (SB-3611) will occur this Fall. Maybe hearings can be initiated during the "Lame Duck" session. Efforts are being made to increase the number of bill sponsors.
  - c. The GC is working on getting a new executive director, establishing a land holding entity, and working on adaptive management details.
5. Austin Hamre (for Deb Freeman) reported on the transition from interim measures payments to SPWRAP membership payments. The Board agreed that until the Program is in place, entities should continue to make interim payments to the Feds, and then those payments will be deducted from their SPWRAP dues. The Feds (Mark Butler) are okay with this and confirm that all interim payments will be accounted for and acknowledged.
6. Steve Sims discussed that the streamlining of Program documents is moving forward. The template BA and recovery agreement have been approved, and the template BO is hoped to be approved soon. A question was asked about the compatibility of the template BO with other species (i.e. Bald Eagle, Preble Mouse, etc). The Board requested that the streamlined documents be made available at the Annual Meeting.
7. The Board requested that a tour of the Tamarack Project be set up.

8. SPWRAP Workshops have been scheduled. These are to provide an opportunity for water users to get detailed information and ask questions about the role of SPWRAP in providing Endangered Species Act compliance for their projects under the Program.

**Workshop #1**

September 29, 2006 - Denver Metropolitan Area, 2:00-4:00 pm

Location: Colorado Division of Wildlife (CDOW) - Denver Headquarters

Hunter's Education Classroom

6060 Broadway, Denver, CO 80216

**Workshop #2**

October 3, 2006 - Sterling, CO, 7:00 - 9:00 pm

Location: Northeastern Junior College - Hays Student Center (HSC) Room 230

100 College Ave, Sterling, CO 80751

**Workshop #3**

October 23, 2006 - Greeley, CO, 7:00—9:00 pm

Location: Greeley Family FunPlex - Conference Room B

1501 65th Avenue, Greeley, CO 80631

9. The Interim Board plans to do educational/background presentations to the South Platte and Metro Roundtables in January. Discussion ensued regarding the need to have the presentations and workshops clarify Program costs and benefits.
10. The Interim Board signed the Amendment to the Articles of Incorporation prepared by Austin Hamre. This Amendment delays the election of the Board of Directors until the 2007 Annual Meeting.
11. Next Interim Board of Directors meeting - Thursday October 19, 2006 at Denver Water at 10 am.

October 25-26, 2006      South Platte Forum, Longmont

October 26, 2006      1<sup>st</sup> SPWRAP Annual Meeting, Longmont, 3:15pm (after SP Forum)
